Hello, Jane.

Love,

One toad has taken up residence underneath a grotesque sphynx-like piece of drift we have. He sits and looks knowingly out. Every day we obligingly sprinkle his doorway.

Jim is having a lot of contact with Bigelow the Golden Rule. Spent an hour with him last week. He's all for Bigelow. He said Bigelow winked at him when he walked into court for his arraignment. He has also recently interviewed the Shah of Iran. He's having a great time.

see Lockerby's review in the Trib.
Must get at a revision I have to do today.
But I wanted to tell you the good news.
